2024-008

Dear Parents/ Guardians,

2024 SwimSafer Programme for Primary 4 Students

Purpose of Programme

The SwimSafer Programme is a national water safety programme introduced by the National Water Safety Council (NWSC) in July 2010 which combines both the National Survival Swimming Award (NASSA) and the Learn-To-Swim Programme (LTSP) into a progressive six-stage programme to introduce swimming to all primary school children.

Delivery of Programme

The fully subsidised SwimSafer programme will be conducted for Primary 4 students in Term 1, 2024. The 1.5-hour weekly training sessions by qualified instructors, supervised by teachers and parent volunteers will be held **during PE curriculum time from 11:00am to 1:30pm** inclusive of travelling (see schedule and instructions/packing list overleaf). Students will be enrolled in the relevant stage of the programme assessed by qualified instructors. Students with prior experience and qualifications may inform your child/ward's PE Teacher.

Should your child/ ward needs to be excluded from the programme, please submit all relevant documents (e.g. medical memo by doctors) to the school before the commencement of the programme. Students who are excused will still have to follow their classes to the swimming pool and are encouraged to bring a book to read or work to complete while they are at the pool.

Please log on to Parents' Gateway to acknowledge this letter or return the acknowledgement slip to the form teacher by **Tuesday, 9 January 2024**. If you have any queries or feedback, do contact your child/ward's PE teachers.

Thank you for your support and partnership in education.

Yours sincerely,

Mr Wilbert Tan
HOD PAM & CCA

Mrs Manokara S
Principal
