Dear Parents/Guardians,

**Primary 3 Co-Curricular Activities (CCA) Experience 2024**

CCAs are an integral part of our students' holistic education. Through CCA, students discover their interests and talents while developing values and competencies that will prepare them for a rapidly changing world. All Primary 3 to 6 students are strongly encouraged to participate in one CCA so that they can enjoy a balanced and enriched primary school life. CCAs will be held on Tuesdays from 3.30pm to 5.30pm after curriculum time.

In order for the Primary 3 students to learn more about the CCAs that the school offers, there will be a **CCA Experience** organised for them to introduce the various CCAs. The students will be given an opportunity to have a hands-on experience as they walk around the venues during CCA sessions. Through this experience, they will have a better understanding of the CCAs offered by the school.
