Ref: 2024 - 042

Dear Parents/ Guardians,

RE: Primary 1 Assessment Matters 2024

In line with MOE's assessment policy, holistic feedback will be provided to the Primary 1 students on their development and skills acquisition using a variety of formative assessments. Please note that as these assessments are formative in nature, they **will not be weighted**. There will be no Mid-Year or Year-End Assessment for Primary 1 students too. Feedback will be reported termly to all parents through the Subject files and Students' Portfolio, which will contain student's work with teacher feedback. Parents will also receive feedback through the Students' Progress Report and Holistic Development Profile each semester.

The intent for the removal of all weighted assessments for the Primary 1 students is in alignment with the policy shift:

- 1) To give students more time to adjust to the new subjects and expectations during the beginning years; and
- 2) To provide added curriculum time to deepen students' learning and promote the Joy of Learning.

The Assessment Plan is attached for your information and easy reference.

The school has scheduled Parent-Child-Teacher Conference (PCTC) on **24 May 2024**. During the PCTC, your child will share his/ her learning with you for the semester through a sampling of his/ her work. More details will be shared with you nearer the date. Please note that you will only be meeting the form teachers during PCTC. If you would like to meet the subject teachers, please feel free to drop an email to fix an appointment with the respective subject teachers. The mode of conference, either face-to-face or online will depend on the prevailing national posture.

Please log on to Parents' Gateway to acknowledge this letter by **9 February 2024**. If you have any queries and feedback, do contact your child's form teachers.

Thank you.
