Dear Parents/Guardians of Primary 5 students,

Re: Primary 5 VIA Workshop on 23 May and 22 July 2024

Cantonment Primary School aims to nurture and empower students to realise their potential in making a difference to others and to pave the way for a brighter and more sustainable future.

The Primary 5 students will be involved in the school's annual flagship event, Terra Village as part of their Values-in-Action (VIA) project. Terra Village aims to celebrate the thinking process that students have gone through while working on a chosen environment-related project. This event also provides an authentic platform for the students to be advocates for the environment.

Each Primary 5 class will set up a carnival game booth during Terra Village to showcase their upcycled carnival games. This is to raise awareness for a selected environmental issue. Parents and students will be invited to play the games. Funds raised will go towards CPS' tree planting initiative, in support of the Singapore Green Plan 2030.

All Primary 5 students will create the carnival games in 2 sessions of after-school workshop. Details of the workshop are as follows for session 2.

Classes	Day & Date of Programme	Time
All Primary 5 classes	Thursday, 23 May 2024 Monday, 22 Jul 2024	2pm to 4.30pm

**Lunch will be from 1.30pm – 1.55pm. Students will remain seated at their canteen tables for their form teachers to bring them back to their classrooms.*

Students are required to attend the session and attendance will be taken. We strongly encourage your child / ward to be part of this meaningful activity. Upon completion of the VIA project, your child / ward will be given VIA hours for his / her participation. Please be informed that if your child / ward is unable to attend the session, VIA hours for the session will not be awarded.

Kindly make arrangements to fetch your child / ward after the session. If you need any further clarifications, please contact your child's Form Teacher.

Please indicate your child / ward's attendance via Parents' Gateway by 10 May 2024.

**You may support your child's environmental effort by helping the classes collect recyclable materials for their carnival game making and booth.*

Thank you for your support and partnership.
