They will explore captivating exhibits showcasing traditional Chinese opera, puppetry, calligraphy, tea appreciation, and Nanyin music. The gallery also features inspiring stories of prominent Kreta Ayer community members who played significant roles in nation-building.

The learning journey will take place during curriculum time and students will report to school as per usual practice. Please ensure that your child / ward has his / her breakfast before coming to school. Transportation to and from the venue will be provided by the school. Each class will be accompanied by teachers, parent volunteers and guides.

Students will not be allowed to purchase food or drinks during the learning journey. They are reminded to bring along their water bottles and snacks as snack breaks will be given during the learning journey. They are expected to return to school by 11:00 am.
