2025-089

Dear Parents and Guardians,

Thank you for partnering with us for a successful Term 1 and a great start to 2025. As we head toward the Term 1 break, here's some information for Term 2.

### Key School Level Programmes

#### P1 English Language Learning Journey to The Singapore Zoo

The Primary 1 cohort will be going for a Learning Journey to the Singapore Zoo. The programme aims to provide students with an outdoor learning experience and help them relate what they have learnt during their English lessons to a real-life context. Students will visit various zones and exhibits to learn about different animals. The learning journey will take place during school hours so students will report and be dismissed from school at the usual timings.

P1CA, P1GR, P1IN & P1RS	11 Apr

#### P2 English Language Learning Journey to Science Centre

Students will also explore the Singapore Science Centre's ecogarden. The learning journey will take place during school hours so students will report and be dismissed from school at the usual timings.

*\*The Student Care Centre will operate from 7.30am to 7.00pm on these two days*

### **Expectation on School Reporting Time**

Punctuality is a key value that fosters responsibility and discipline in students. We seek your support to ensure that your child arrives in school by 7:35 AM. This allows them to settle in and be present for silent reading and assembly. Late arrivals disrupt their own learning and the school's routines. Form Teachers will engage the parents of students who are perpetually late for school. Thank you for working with us to instill the good habit of punctuality in our students.

### **Health Promotion Board Health Check**

The Health Promotion Board (HPB) will conduct the annual health screening in school. It will start either on 4 (Fri) or 7 (Mon) Apr to accommodate our P5 students participating in the P5 Camp, and end on 14 Apr 2025. HPB is finalising the start date and we will inform you once it is confirmed. HPB has requested parents of P1 to P3 students to complete a Child Lifestyle Questionnaire as part of the Grow-Well SG initiative for personalised lifestyle advice. Please complete the questionnaire if you have not done so. Please refer to the Parents Gateway message sent on 12 Mar 2025 for details.

### Traffic Advisory

Please abide by the traffic rules and refrain from parking or waiting in a dangerous manner when driving in the vicinity outside the school. We appreciate if parents can help keep the drop off/pick up lane free, to ensure the smooth flow of traffic and ensure visibility and safety for our students and all road users.

We strongly believe in home-school partnership and look forward to your continued partnership in the holistic development of your child for the rest of the year.
