Young Scientist Badge Scheme for Primary 3 to 6 students

Dear Parent/Guardian,

To enhance mathematics and science learning in and out of the classroom, all Primary 3 to Primary 6 students have been provided with access to the Young Scientist Badge Scheme (YSBS). Students may explore the badges through the YSBS platform (<https://youngscientist.sscglobal.com.sg/>) or through the Student Learning Space (SLS).

Account details and other information will be provided by your child's science teacher. You may also find out more about YSBS through the attached student guide prepared by Science Centre Singapore.

Thank you.

Regards,

Mr Bunawar Md Ali
Level Head (Science)
Cantonment Primary School

CC: Ms Grace Foo
Principal 
Cantonment Primary School
