As part of our Social Studies curriculum, the school is organizing a learning journey to the Indian Heritage Centre for the Primary Five students. This enriching experience will deepen their understanding of Singapore's history and cultural heritage, particularly focusing on the contributions of the Indian community. They will explore captivating exhibits showcasing traditional Indian culture. The gallery also features inspiring stories of prominent Indian pioneers who have significantly contributed to Singapore's progress across various fields. Through these exhibits, students will gain insights into their heritage, appreciate diversity and understand the rich tapestry of our multicultural society.

The learning journey will take place during curriculum time and students will report to school as per usual practice. Please ensure that your child / ward has his / her breakfast before coming to school. Transportation to and from the venue will be provided by the school. Each class will be accompanied by teachers, parent volunteers and guides.

Students will not be allowed to purchase food or drinks during the learning journey. They are reminded to bring along their water bottles. Students will have recess before the learning journey. They are expected to return to school by 11:45 am. Lessons and CCAs/Lunch (on Tuesday) will resume after the learning journey and school dismissal will follow as per the usual schedule.

Kindly acknowledge your child's participation in this learning journey by Friday, 11 July 2025.
