# Our Beliefs

We believe that learning flourishes:

- In caring and safe learning environments.
- When children develop their 21st century competencies through constructive learning experiences.
- By harnessing technology effectively, and tapping experts and resources in the wider community.
- When assessment is used to address children's learning gaps.

A photograph of a female teacher with short grey hair, wearing a black t-shirt and dark shorts, smiling and interacting with a group of five young students in a gymnasium. The students, three girls and two boys, are wearing white school uniforms with dark collars and dark shorts. They are standing behind two large, rectangular blocks that are green at the base and yellow on top. The students have their hands raised in the air, some with palms facing forward. The background shows a wooden floor, a dark wall with a red digital display showing '10:30', and a flagpole with a red and white flag. The overall atmosphere is positive and educational.

# School Rules, Expectations and Routines

## School Uniform and Personal Hygiene:

# School Rules

- Primary 2 students may come to school in PE attire on all days.
- From P3 onwards, formal school uniform must be worn to school daily. No modification is allowed.
- Students should wear only plain white shoes and socks. No black shoes or sports shoes are allowed. Socks should cover their ankles when worn.
- Please ensure that nametags are already ironed or sewn by now.
- Your child should wear clean school uniform, be neat and looks presentable. Hair and nails should be trimmed regularly.
- Students should not wear accessories (e.g. bracelets, ring, necklace, chains, brooches, wristbands, amulets) with the school uniform.

For more information, please refer to the Student Handbook (pages 14 to 21)

# School Rules

## Punctuality

- Students are expected to be in school by 7.35 a.m. for silent reading.
- Students who enter the school after 7.45 a.m. will be marked as late.
- Students who repeatedly report late will be required to serve **one day of after-school detention** and will be ineligible to be selected to represent school events. Their **conduct grade will also be adjusted**.

For more information, please refer to the Student Handbook (pages 14 to 21)

# School Rules

## Attendance

- Regular attendance is essential to ensure continuity in learning and to help students keep pace with classroom instruction.
- Students who are absent without a valid reason may miss important lessons, assessments and class activities.
- Based on Compulsory Education Act (CEU), all Singaporean children have to attend Primary school education.
- A parents' letter / written reason (without medical certificate) will be accepted as a valid reason for absence **up to five (5) instances per semester**. After this, such absences will be-recorded as ***absence without valid reason***.

For more information, please refer to the Student Handbook (pages 14 to 21)

# School Expectations

## Homework Policy

### What is homework?

- Any learning activity that students are required to complete outside of curriculum time.
- There is a difference between class work that a student did not complete in class and work that is assigned as 'homework'

- Level Estimated Time Required :  
**P5 and P6 0.5 to 2 hour daily**

No homework will be assigned on festive public holiday (e.g. Lunar New Year, Hari Raya Puasa, Vesak & Deepavali) and on Tuesdays (CCA Day) to be submitted on Wednesdays. This is to give students ample time to complete their homework, and in so, cultivate a healthy disposition towards learning.

Please refer to the Student Handbook (pages 13) for more details.

# School Expectations

- Parents should refrain from bringing water bottles/ books for their children when they have forgotten to do so.
- Students are not to use smartphones and/or smartwatches^, toys, electronic gadgets, or other communicative devices during school hours. These devices must be switched off and kept inside the school bag before entering the school.

Please refer to the Student Handbook (pages 19-20) for more details.

# School Expectations

## **Birthdays**

While birthdays are important days to remember, holding birthday parties in the school is not allowed.

## **Gifts to Teachers**

Students can show appreciation for their teachers through simple and thoughtful ways such as presenting them with handmade and personalised messages.

Please refer to the Student Handbook (page 11) for more details.

# Direct School Admission (DSA)

- Direct School Admission (DSA) provides a pathway for students to gain admission to secondary schools based on their **interests, aptitude, and potential**, beyond their performance at Primary School Leaving Examination (PSLE).
- To determine if DSA is an appropriate pathway for your child, you should **carefully consider your child's strengths and interests**, and the school's programmes and their ability to develop specific talent.

# Direct School Admission (DSA)

P6 students can apply for DSA based on a wide range of talents, including:

- Sports and games
- Visual, literary and performing arts
- Debate and public speaking
- Science, mathematics and engineering
- Languages and humanities
- Uniformed groups
- Leadership

# Direct School Admission (DSA)

DSA Application will open sometime in May.

From now till May, have a chat with your child about his/her interest and explore Secondary Schools. Each Secondary School offers different talent areas and each has its own selection process and schedule.

# Home-School Partnership

# 3 areas we can work together on to foster School-Home Partnership

## 1 Respectful Communication

Our children do best when schools and parents work hand in hand to support them.

## 2 Role Models

## 3 Real Connections

# How can you support your child?

**LOOK** out for these signs which indicate your child may need help to cope:

Scan the QR Code to read more about stress vs distress in the Parenting for Wellness toolbox. The full toolbox is available at the end of the presentation.

## ARE YOU FEELING TOO MUCH STRESS?

We can **LOOK** out for:

- L**oss of interest in hobbies
- O**verly tired, sad, worried or upset
- O**ften posting moody messages or talking about hurting yourself
- K**eeping away from people you are usually close to, or being quieter than usual

If you observe that your child may be struggling or showing signs of needing more support, you may use **C.H.E.E.R** to guide your conversations and support your child.

Scan the QR Code to read an example in the Parenting for Wellness toolkit, of how CHEER can be used. The full toolbox is available at the end of the presentation.

**C**alm them down

**H**ear them out

**E**mpathise with their feelings

# Developing Good Digital Habits

## How can you help your child develop good digital habits?

*As parents/guardians, you play a significant role in helping your child establish healthy digital habits, and learn to use technology in a positive and meaningful way.*

**Role model healthy use of devices and social media and good online behaviour** for your child/ward

- E.g. parents/guardians not using devices during mealtimes, respectful online communication

**Role modelling respectful conversations –**

- Parents are in the best position to role model these skills through daily interactions with your child.
- **Listen to understand**, instead of listening to give advice and offer solutions.

# Online Communication with other Students

- Students may be required to interact with other students online as part of learning activities on the Student Learning Space or other learning apps.
- Students are expected to demonstrate the school values in their interactions with others on cyberspace.
- If other students make your child feel uncomfortable, your child should stop the engagement and inform his/her teacher or you.
- Students are not required to use communication apps (e.g., WhatsApp, Telegram, Discord). Many of these apps are meant for older users, usually above 13 or 16 years old. In most cases, the school will not manage disputes or incidents between students resulting from the use of these communication apps.
